

# MY PODER PLEDGE

One of the power tools in our pocket is our vote! Those who fight for or against us are decided with every election by the voters who show up to vote. Everyone, including nonvoters, have a role in building the Democracy we want. We need to be talking to one another about issues, candidates and elections and encouraging the voters in our lives to vote.

By signing this pledge you are agreeing to at least one of the following actions. Poder will use this information to share opportunities to connect with others who also believe in a more inclusive democracy.
